

CSCI 1301 – Lab 23

October 28, 2019

1 Project #2 Solutions

You can find commented possible solutions to the second project below:

- Problem #1 - Daily Pay¹
- Problem #2 - Newspaper Machine²
- Problem #3 - Rock, paper, scissors³
- Problem #4 - Grade calculator⁴

The instructions were shared previously⁵, and possible hints were given in lab 19⁶.

The code we started to work on during class is available too!⁷. Feel free to try to complete it!
